At **JA Jingle Day** kids may work in a JA BizTown business and earn JA BizTown paychecks, manage a checking account, spend their paychecks to buy gifts, decorate cookies, and play games in **JA BizTown**. This active, fun-filled day for kids will give parents the opportunity to finish last-minute holiday baking, shopping, wrapping, or whatever else is on the holiday "To Do" list. We're close to University, International and Westshore Malls for last-minute shopping!
